	9 credits	9 credits

^{*} You must apply for graduate special status prior to registering for your first graduate course.

Revised: 2017 June

^{**} You must apply for full graduate status prior to registering for your fourth graduate course.

^{***} You also have the option of taking general education courses during winter term (January between the semesters) and summer to reduce the load during regular semesters. Additional UW-L and College of Science and Health core requirements may be required.
