CS 442/542 Spring 2021

General Information

General Information

Instructor: Thomas Gendreau

Office: 211 Wing

Office Phone: 785-6813

Office Hours (online): Monday, Tuesday, Wednesday 1:00-2:30
Friday, Saturday 1:00-2:00
Saturday office hours will not start until March 27.

General Information

course website (lectures, quizzes, homework): www.cs.uwlax.edu/~tgendreau/cs442/cs442.html

Canvas course site (quiz and homework submission, post grades)

Textbook: *Engineering a Compiler 2nd Edition* by Cooper and Torczon

Grading: 200 points: 10 quizzes (best 10 out of 11)
200 points: Homework
100 points: **Cumulative** final exam
500 total points

General Information

Attendance: The class will be taught online. Lectures will be posted on the course web site. Students must listen to all the course lectures.

General Information

A quiz will be given every Friday except February 5, March 19 and May 7. Quizzes will be posted on the course web site on Friday morning and will be due at 11:59 PM Friday night. Quizzes will be submitted through Canvas. **No makeup quizzes will be given**. Unusual situations such as multi-week illness will be handled on an individual basis. Keep copies of each quiz until it is graded.

General Information

Homework: Keep copies of each homework until it is graded.

Grading: *The exact grade ranges will not be determined until after the final exam. Estimated grades will be shown after quizzes 4, 7, and 11. Border line point values will be assigned letter grades using the instructor's subjective evaluation of a student's work.*
